

By Allah's grace our beloved brother Sheikh Sajid Umar has just completed his Masters degree with first class honors in Comparative Islamic Law from the Higher Institute for Judiciary at allmaam Muhammed bin Saud Islamic University, Riyadh, KSA

Sheikh Sajid has been inspiring many of the KIU students to not only gain knowledge but also to imbibe it in their lives so that they become useful members of their communities.

We pray to Allah Almighty that He guides his steps, blesses his actions and helps him achieve the highest levels of knowledge and piety. Congratulations to our brother from all the students, professors and higher administration of KIU.
